

# Gifts from the Lord Wreath

## Extra Materials Needed:

Scissors  
Markers or crayons  
1 sheet of red or white construction paper  
1 sheet of green construction paper

## Instructions:

1. Print out these two pages on white paper.
2. Color the star for the center of the wreath.
3. Color the front of each "package."
4. Cut out the star and all of the packages
5. Fold the packages along the dotted lines.
6. Tear the green construction paper into many little pieces.
7. Spread glue in a big circle on the white or red piece of construction paper and press the pieces of green paper onto the glue. This forms your "wreath."
8. Glue the star shape in the center of the wreath
9. Now you are ready to sit down and think about things the Lord has given you. Write one gift on the inside of each package. Gifts could be things like family members, friends, things in nature, or special talents that you have from the Lord.
10. Arrange the packages around the wreath and glue the backs to the wreath.
11. Hang up your wreath to enjoy and to remind you of all the gifts that the Lord gives us.
