

The Kingdom of Heaven

Imagine that you are a disciple of the Lord, and you must go and teach people about the Lord and the kingdom of heaven. What can you tell people about heaven? How can you use the parables and other teachings to give others a clear idea of heaven? What is heaven like? Who can enter heaven? What evils must you avoid so that you can go to heaven? Is the Lord trying to bring people to heaven or keep them out? Does He help us or do we have to get there ourselves?
