

## THE HEART CHAIN

Make a chain of hearts representing the love the Lord has given Mommy and Daddy and their love for each of their children.

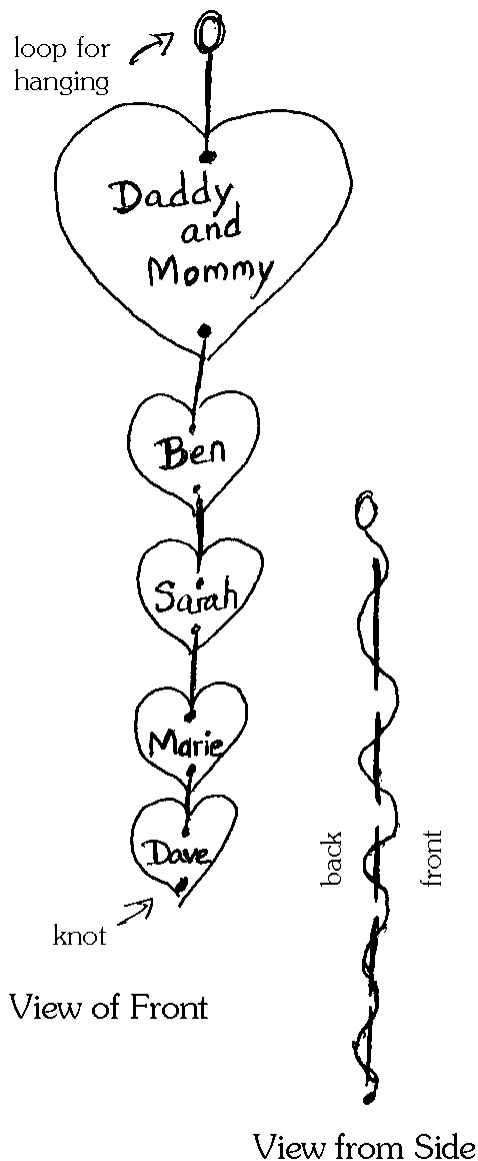

### Materials:

paper  
thick yarn (or ribbon)  
marker  
large heart for Mommy and Daddy (see heart templates on last page)  
1 small heart for each child  
hole puncher (optional)

### Instructions:

1. Write "Daddy and Mommy" on the large heart.
2. Write the name of each child in the family on a smaller heart.
3. Punch a hole in the top and bottom of each heart.
4. Weave the thick yarn in and out of the holes to string the hearts together. The yarn should pass over the back of the hearts, behind the names. (see diagram)
5. Make a loop at the top of the yarn for hanging and make a knot at the bottom of the yarn.

*Note: If you use ribbon or thin yarn, you will need to put a knot at the bottom of each heart to keep them from slipping.*
