The Riches of Heaven

When we think of someone as being rich we usually think about all the money and things they have. Maybe we notice their beautiful house, or the expensive cars they drive, or the clothes they wear, or all the "things" they have.

If we love all these things but are selfish and do not care about the Lord's teachings, then we would not want to be with the angels in heaven. In fact, it would be "easier for a camel to go through a needle's eye" than for us to come into heaven.

In heaven we can all have beautiful things. The Lord gives them to us. ut first we have to be "rich" with the kinds of things the Lord says are important. We have to want to know the beautiful teachings in the Lord's Word, and to want to help other people.

Application

Think about the "riches" that you have in your life already—the wonderful gifts from the Lord that can make you happy and help you to get ready to be an angel in heaven.
