

Dove Poster or Mobile

The dove seen by Jesus and John symbolized purification and regeneration by Divine Truth. Here are 2 projects based on this idea.

Poster

Materials needed:

poster board or a large sheet of cover stock
dove picture (or dove stickers or stamps)
pens or markers

Procedure:

1. Make a poster with a dove at the top. (Use the picture provided or if you prefer, use dove stamps or stickers to decorate the paper.)
2. Below the dove, put truths which can help us "clean up" our lives.

Mobile

Materials needed:

poster board or a large sheet of cover stock
dove picture (or 3 dimensional dove purchased from craft store)
pens or markers

Procedure:

Use the picture of the dove (or a 3 dimensional dove purchased from a craft store) to make a simple mobile with a string of the truths which show us how to cleanse our lives as shown in the illustration.
