

Day 1

1

Day 2

Creation Mobile

(See directions on page 2)

Day 3

Day 4

2

Day 5

Day 7

Supplies:

Scissors * tape or glue *string
Coat Hanger or embroidery hoop

Directions:

1. Cut out the forms showing the seven days of creation on pages 1-4.
2. Paste or tape the two sides of each day's picture together with a piece of string taped between them (for hanging the pieces from). Or you can punch a hole in the top of each picture to thread the string through.
3. Hang the days, in order, from a bent coat-hanger or an embroidery hoop to create a mobile. If your mobile has more than one level, put the Lord at the top.
4. An alternative for older children is to use pages 5 and 6 instead of 3 and 4 and write things you are thankful for in the Lord's creation in the white areas. Then you will have a picture on one side and your reflections on the other. You might also find quotes from the Psalms praising the Lord's creation and print those out. The *From the Word* section may give you some ideas.
