

## GOD INCARNATE, VEIL THY SPLENDOR

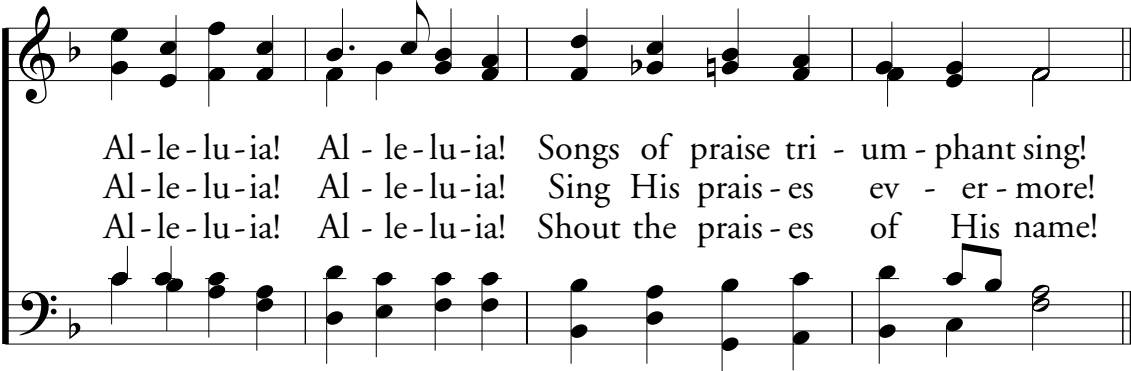

1. God In-car-nate, veil Thy splen-dor, in the cloud re-veal Thy light;  
2. Li - on of the tribe of Ju-dah, Lamb of God up-on the throne,  
3. Joy-ful throngs of earth and heav-en, loud-ly hymn your Sa-visor's praise;

Come in all Thy pow'r and glo - ry; end this long and wear-y night.  
Our Re-deem-er strong and might-y, ru-ling all the world a-lone,  
Men and an - gels join in cho-rus, heart and voice u-nit-ed raise!

Lord our God, to Thee, Al-might-y, all the earth shall in-cense bring!  
Lord of all the hosts of heav-en, in Thy pres-ence we a - dore.  
Earth and sky with joy re-sound-ing, in far-ech-oing songs pro-claim,

Al - le - lu - ia! Al - le - lu - ia! Songs of praise tri - um - phant sing!  
Al - le - lu - ia! Al - le - lu - ia! Sing His prais - es ev - er - more!  
Al - le - lu - ia! Al - le - lu - ia! Shout the prais - es of His name!
