

A Diorama of the Miracle of the Lord Feeding the Multitude

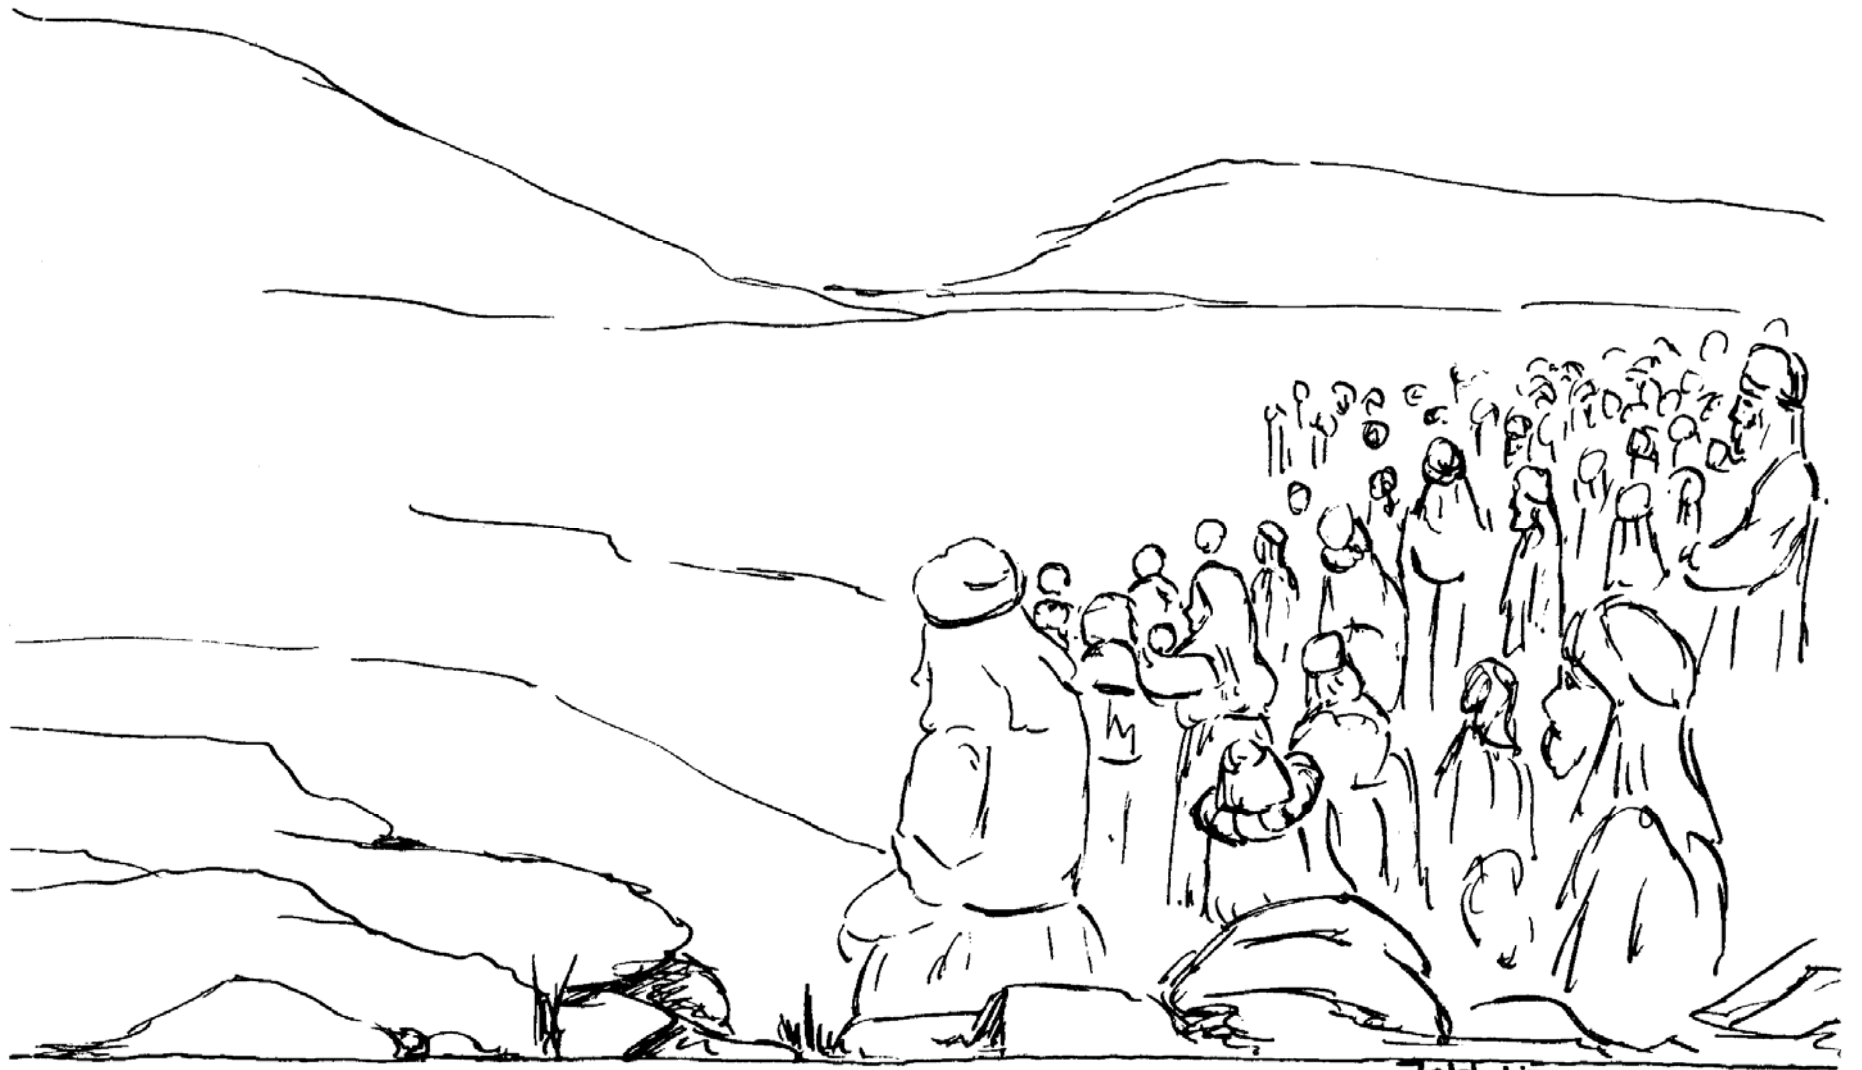

Introduction:

Make a diorama that pictures of the miracle of the Lord feeding a multitude of people with five loaves of bread and two fish. This illustrates the Lord's power to help us, and His desire to give us spiritual food for our minds as well as natural food for our bodies.

Directions for Assembling the Project:

1. Color the scene.
2. Color the figures.
3. Mount them on cardboard or cover stock, if you wish.
4. After reading or hearing the story from the Word, put the figures in the scene.
