

Jumping for Joy!

Here is a fun activity for young children to show joy in the Lord's victory at Easter:

1. Jump up into the air with your legs bent behind you to make a "J".
2. Turn a summersault to make an "O".
3. Jump up into the air with your arms held out wide to make the "Y".

You've just spelled out "JOY" with your movements!
If you wish, you can print this page out for children to color.
