

Youth Journey Programs from General Church Education | Overview

Youth Journey Programs are based on well-known Bible stories. Each set of lessons provides 5-7 weeks of lessons for 3 or 4 age levels, from ages 3-14, or 3-18. Scripted lessons are ready to teach with little preparation. Each lesson offers a warm-up, reading, discussion, choice of projects, and wrap-up. Look for videos, memory verses, games, songs, experiments, pictures to color, notes for parents, and more. Some programs are available for purchase, while other programs are available free online.

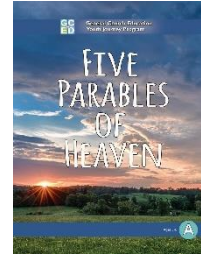

The following programs are available for purchase [online](#).
