

## Overview of the Jacob's Ladder Program

Learning about the Lord one level at a time

The Jacob's Ladder Program offers seven years of Lesson Books based on the Lord's Word for ages five to twelve. Each level provides 36 scripted lessons illustrated in color that help children experience a sense of wonder and excitement as they learn. Each lesson provides an explanation of the story to help parents and teachers deepen their own understanding of the Word.

Accompanying Activity Books and downloadable (mp3) songs provide an exciting multi-sensory experience for families and Sunday schools. Choose an activity to accompany each lesson from choices that include print-and-go games, projects, activities, coloring pages and videos, and ideas for additional enrichment.
