### The Lord Is Our Heavenly Father

The Jacob's Ladder Program Introductory Level offers a Lesson Book containing 36 scripted lessons illustrated in color for individual or group instruction. Includes stories such as creation, Noah, the Patriarchs, Moses, the kings of Israel, the life of Jesus and key concepts such as the life after death. Each lesson provides an explanation of the story to help parents and teachers deepen their own understanding of the Word, and ideas for making religion an active part of daily life.

A separate Activity Book, with 36 downloadable songs (mp3 format), provides a multi-sensory experience for families and Sunday schools. Choose an activity to accompany each lesson. Choices include print-and-go projects, activities, coloring pages and videos, and ideas for additional enrichment. Lessons are based the General Church Schools religion curriculum.
