

Overview of Jacob's Ladder Program Level 2 | Ages 7-8

The Lord Is Our Shepherd

Jacob's Ladder Program Level 2 offers a Lesson Book containing 36 scripted lessons illustrated in color for individual or group instruction. Lessons 1-17 are from Genesis and include the story of creation, the tower of Babel, and the lives of Abraham, Isaac, Jacob and Joseph. An additional series focuses on New Testament parables, and lessons for festivals. Each lesson provides an explanation of the story to help parents and teachers deepen their own understanding of the Word, and ideas for making religion an active part of daily life.

A separate Activity Book and CD with 38 songs offers multi-sensory activities for families and Sunday schools. Activity choices include print-and-go games, projects, activities, coloring pages and videos, and ideas for additional enrichment. Lessons are based the General Church Schools religion curriculum.
