

Dear Heavenly Father,
Help us to learn what is true
And to do what is right,
So that we may enter in
Through the shining gates
Of Your Holy City
The New Jerusalem,

To drink the crystal clear
Water of life from Your river
And eat of the twelve kinds of
fruit
From Your tree of life.

Help us to follow
All Your commandments
So that we may live
In that beautiful city
With You forever.

Amen.
