

Prayers for Teens

Lord God Almighty, You taught us to share the bounty of the earth with the poor and the stranger. Help us to remember that all good is really from You and not from ourselves, so that we may serve those around us with true humility and love. Amen.

Great and marvelous are Your works, Lord God Almighty! All the nations shall come and worship before You. Amen. (see Rev. 15:3-4)

O Lord, how great are Your works! In wisdom You have made them all. Amen.

(see Psalm 104:24)
