

Angels and Spirits with Us A Mobile

This mobile illustrates the way angels and evil spirits keep us in a state of freedom. The angels encourage us to do what is right, and the evil spirits encourage us to do what is wrong. After making the mobile, you could see what happens when you slide the angels closer to the person here on earth and the evil spirits further away. Then try the reverse.

Procedure:

1. Cut 5 ovals from stiff paper such as cover stock or poster board.
2. Use colored pencils, markers, or crayons to picture guardian angels on 2 of the ovals.
3. Make pictures of evil spirits on two ovals.
4. Make a picture of yourself on the 5th oval.
5. Use thread, ribbon, or string to hang the ovals to a coat hanger.
6. You could also add a picture of the Lord as shown.
