

1. Cut out the spiral and the Lord's face and poke holes where through the black dots.
2. Thread a ribbon through the center of the spiral and knot it underneath.
3. Then thread the ribbon through the oval with the Lord's face, so he is above the spiral as shown in the diagram below.
4. Hang spiral in your home or classroom, and each time you learn a verse from the Word, put a sticker on the spiral, from bottom to top, as you get closer to the Lord.

Following The Lord's Path to Heaven
