

Lamb Mask for Little Ones

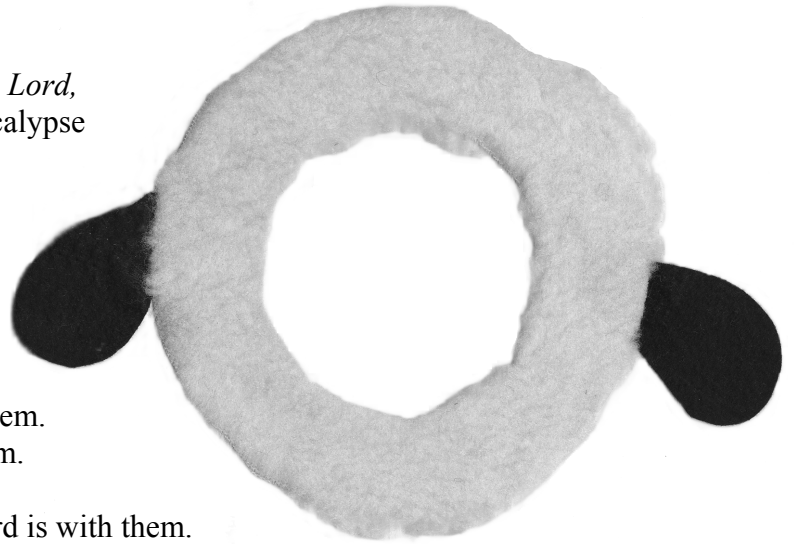

Lambs symbolize those who are in love to the Lord, and this love is one with innocence (see Apocalypse Explained 314:5).

Talking about Lambs

The Lord made little lambs soft and gentle.
They love their shepherd and do as he tells them.
They follow the shepherd where he leads them.
They know that he will protect them.
Little lambs are not afraid when their shepherd is with them.

The Lord is *our* shepherd !
He loves us and cares for us.
We love Him and do as He tells us.
We know that the Lord will protect us.
We need not be afraid, because we know that the Lord is always with us.
He is our Shepherd, and we are His lambs.

Sing: “*Little Lamb Who Made Thee*”

MAKING THE LAMB MASK

Materials

Cardboard circle with opening for face
White fleece cut a bit larger than the cardboard
Black felt ears
Glue

Procedure

Trace the circle template onto white poster board or cardstock then cut it out.
Trace the circle template onto the back of white fleecy fabric and cut it out.
Use the template for the ears to cut 2 black ears for your little lamb.
