

Bookmarks on the Nature of Conjugal Love

It is the nature of love to will to share with another, indeed, to confer joys upon another whom it loves from the heart.

(Conjugal Love 180)

The states produced by this love are innocence, peace, tranquility, inmost friendship, complete trust, a mutual desire of the mind and heart to do the other every good; also, as a result of all these, bliss, felicity, delight, pleasure, and...the happiness of heaven.
