

NEW CHURCH DAY REPRESENTATION

Now a great sign appeared in heaven: a woman clothed with the sun...(Revelation 12:1).

Make a representation to help children visualize the prophecy seen by John.

Materials

Doll for the woman clothed with the sun
Shiny gold and silver fabric
Small bowl (for the moon under her feet)
Gold ribbon and stars or star garland for her crown
For the baby: cotton ball, white fabric, and wooden bead

Process

1. Dress the doll in the golden silk or satin fabric, pinning or sewing the garment.
2. Make a starry crown with star garland or gold ribbon with 12 gold stars attached.
3. Place the doll on top of an inverted bowl that is covered with white or silvery fabric.
4. Sky blue fabric would make a beautiful backdrop for the representation.
5. You may wish to represent the baby as well, using a cotton ball pulled into the shape of a baby or making a small baby with fabric wrapped around a cotton ball and a wooden bead attached for the head.

Additional Figures that May Be Incorporated

Michael could be made from a male doll (GI Joe or Ken) with a blue cape.
Make a dragon of red modeling clay or a twisted branch with clay dragon heads attached.

This could be a great activity for a mother to do with her daughters!
