

Nunc Licet Temple Project

The Nunc Licet Temple

In *True Christian Religion* 508 we learn about a beautiful temple or church that Swedenborg saw in the spiritual world. It had the inscription or writing over the door—Nunc Licet—which means “now it is permitted” in Latin. Now that the Lord has given us the Heavenly Doctrine, people can understand the Word of the Lord in a new way—in spiritual light. This project pictures Swedenborg writing about the Nunc Licet temple as instructed by the Lord.
