

The Lord Walking on the Sea

Matthew 14:22-33

Materials:

- picture of the Lord walking toward His disciples on the water (see attached)
- picture of Peter (below)
- colored markers, pencils, or crayons
- scissors

Procedure:

1. Color the picture of Peter and the larger picture of the disciples watching the Lord walking on the sea.
2. Cut out the picture of Peter.
3. In the larger picture, cut a slit along the line in the sea where it says "cut on line."
4. Use the figure of Peter to dramatize the story, making him "walk" from the boat toward the Lord. When he reaches the spot where there is a slit in the page, demonstrate how Peter began to sink when He doubted the Lord's power to help him walk on the sea.
