

Turning Away from False Gods

Make a collage showing things people might "worship" or seem to make a higher priority in their lives than the Lord. These might include recreation, material possessions, money, *etc.* Make pictures to represent these false gods or cut them out of magazines. Make a picture of the Lord at the top with these words underneath: "You shall have no other gods before Me" (Exodus 20:3). Then put the pictures representing the false gods below.
