The Lord told No - ah to build an ark, an ark of go - pher wood,

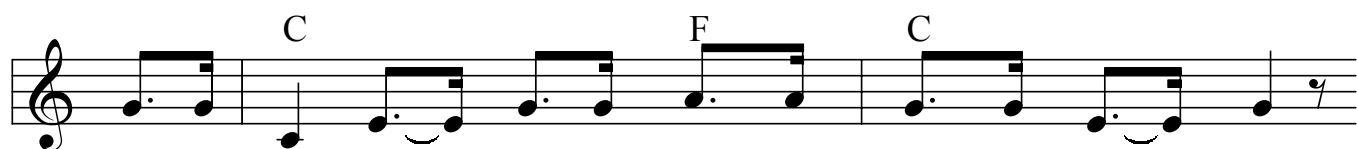

And No - ah did all the Lord com - man - ded him, for No - ah, he was good.

The Lord said to No - ah, "Take the an - i - mals in,
The Lord sent the rain for for - ty nights and for - ty days.
The Lord set No - ah and the ark up - on the land,

Take the an - i - mals in by two, one two,"
The wa - ter rose up high, so high,
And No - ah gave an of - fer - ing, hap - py thing,

And the Lord said to No - ah, "Take your fam - i - ly in,
And the Lord sent the rain up - on the moun - tains and the plains,
And the Lord sent No - ah such a rain - bow in the sky,

And I'll take care of you."
It rose up to the sky.
So to the Lord we sing.
