

SPIRITUAL TASK—THE KING AND I (Matthew 21)

by the Rev. David Roth at the New Church of Boulder Valley

Story Jesus rides into Jerusalem on a donkey as a statement that He is king. However, He went straight to the temple rather than the palace, reminding them that His kingdom “is not of this world”. He cleansed the temple and healed the blind and lame.

Meaning The message of Palm Sunday is a reminder to us to lay down our own thoughts and ideas before the Lord and to let Him lead us - let His Word guide our thinking and our living. When we do this then the Lord can clean up our lives and heal us.

Task If we can keep the Lord in mind we can better respond to Him. All you are going to be asked to do this week is keep thinking this thought. “The Lord is my King.” See how that affects your life.
