HOUSE BUILT ON A ROCK

1. A wise man built his house u-pon a rock, a wise man built his house u-pon a rock,
2. A foolish man built his house u-pon the sand, a foolish man built his house u-pon the sand,

1. a wise man built his house u-pon a rock, and the rains came a-tum-ble-ing down!
2. a foolish man built his house u-pon the sand, and the rains came a-tum-ble-ing down!

1. the rains came down and the floods came up, the rains came down and the floods came up,
2. the rains came down and the floods came up, the rains came down and the floods came up,

1. the rains came down and the floods came up, and the house on the rock stood firm.
2. the rains came down and the floods came up, and the house on the sand went smash!!! (shouted)
